**Re Draft Environmental Impact Statement, Materials Recovery Facility Fyshwick,
Section 8, Blocks 9 & 11
Capital Recycling Solutions
Application Number 201700053**

I strongly oppose approval of the materials recovery facility being located in Fyshwick.

This waste network plan will dramatically alter a large part of Fyshwick back to a harsh dirty-industry environment.

It will also negatively affect many businesses in the area.

I request you to consider alternative sites.

Yours sincerely
