Subject: Proposed Fyshwick Waste Facility
Date: Monday, 18 June 2018 1:16:53 PM

I wish to register my objection to the proposed location of this facility in a busy shopping precinct in the inner south - the proposal shows a total disregard for the residents, workers and shoppers in this area as well as the residents bordering likely traffic routes to and from the proposed site.

If the Government considers this to be a positive planning decision with respect to the future development and growth of this city it is sadly out of touch with the inner south. Please show some forward thinking.

Sincerely
