Dear sirs,

We wish to strongly object to application number 201700053, The proposal to build a Materials recovery site in Wiluna street, Fyshwick. We have 2 properties in Fyshwick and this would impact on our ability to lease the properties if Fyshwick became a stinking cess pit. Surely there are other alternatives. You might consider siting the facility at Molonglo treatment works. There are no dwellings or businesses to have any impact on. Mugga lane tip is the obvious choice.

Sincerely,

[REDACTED]
