This amendment is vital for the Telopea Park School community. The school is bursting at the seams and requires additional land to appropriately cater for existing numbers and future growth. Rezoning is required to allow for this much needed expansion and modernisation. As one of the oldest schools in Canberra current facilities do not match that of other schools in the ACT.

I support the proposed rezoning of Montgomery Oval to expand Telopea Park School.

The current facilities are insufficient to meet demands of students, and the number of students have been growing significantly each year.

I support the proposed rezoning of Montgomery Oval to expand Telopea Park School. It would greatly benefit future children at the school, and help maintain Canberra's reputation as having some of the best public schooling in the country to rival out of reach private schooling.
