Dear Sir/Madam;

I wish to place on record my objection to the above proposal.

As an SME business based in Fyshwick my staff and I are very concerned about the overall potential loss of amenity that would result from this proposal.

My family and I are also regular shoppers in and visitors to Fyshwick and its surrounding environs and in recent years have been encouraged by its slow transformation from the rough industrial wasteland it used to be, into the dynamic and visitor-friendly multi-purpose suburb it now is.

We are also concerned that Canberra already has an existing MRF in the Mugga Lane facility that is ideally suited to continue operation for another 25-odd years.

Thank you for considering my objection and I hope the proposal is shelved.

Yours Faithfully
