I am opposed to the locating of a waste facility in fyshwick. I believe that it should be located in either hume or beard. Fyshwick is to vibrant a commercial hub and its infrastructure is not capable of handling the additional heavy traffic in the area. Also there would be major disruption to the area if plant were to go ahead. It would be financially irresponsible of the government to locate a waste facility in fyshwick. It is too populated an area for this dirty industry. It would also affect real estate values in the surrounding suburbs. Please NO to a fyshwick waste facility

Hey, wasn't the plan no waste by 2020. If built this plan seems another empty promise. Get it right Canberra Labour party.
