Subject: Proposed Fyshwick waste facility
Date: Tuesday, 19 June 2018 4:06:26 PM

Dear Sir/Madam,

i am writing to register my concern over the proposed waste facility at Fyshwick.

The increase in heavy traffic movements itself is a good enough reason to not allow the development. Added to this, that they will be transporting waste, which by definition is smelly, and therefore will have an adverse affect on both the retail areas surround the facility as well as nearby residential neighborhoods says it all.

The application for this development must be rejected!!

Yours faithfully,
