**Re:**  
Draft Environmental Impact Statement, Materials Recovery Facility Fyshwick, Section 8,  
Blocks 9 & 11  
Capital Recycling Solutions  
Application Number 201700053

We strongly oppose approval of the materials recovery facility being located on blocks 9 & 11 section 8 Fyshwick.

The already heavy traffic situation in Fyshwick is bad enough without adding something like this facility.

Surely Hume would be a better location.
