Subject: My building at [REDACTED] Wiluna St Fyshwick, affected by recycling plant.

I am writing regarding the planned recycling plant in Fyshwick. I own the building at [REDACTED] Wiluna St, Fyshwick. I have for the last 15 years, two very established retail shop front tenancies. [REDACTED] If this recycling plant goes ahead it will be the end for all business in Wiluna St. Not one business will survive with the influx of 220 truck daily, not to mention Ipswich St and the smell. Please, please end this idea and have it relocated to were no business can be affected.

Regards
