Subject: Fyshwick Rubbish Facility
Date: Sunday, 24 June 2018 8:05:32 PM

I would like to voice my disapproval of the proposal to establish a Rubbish Dump in the heart of Fyshwick. If it is necessary to move from the Mugga site, which I am led to understand it is not, then why not move it to another site further along the railway line. Why should residents and businesses of the Inner South have to put up with the odours and disruptions to satisfy a businessman's plan to make money from the sale of his land.

This is the National Capital of Australia, not some capital of a corrupt third world country so we are entitled to expect transparency and best practise from our elected officials. It has been very hard of late to believe that anyone in power is listening to the concerns of the average citizen.

Please add my voice to the many others who I know cannot see any value in this proposal.
