Draft Environmental Impact Statement, Materials Recovery Facility Fyshwick, Section 8, Blocks 9 & 11

I strongly oppose approval of the materials recovery facility being located on blocks 9 & 11 section 8 Fyshwick.

It's just another ridiculous idea to place a "NIMBY" project in Canberra's south which will negatively impact on the general amenity and businesses in Fyshwick.

An isolated area away from residents, shoppers and businesses needs to be found instead.
