Re:

Draft Environmental Impact Statement, Materials Recovery Facility Fyshwick, Section 8, Blocks 9 & 11  
Capital Recycling Solutions  
Application Number 201700053

I believe this local government has already done far too much damage of the Fyshwick area, e.g. the hundreds of commercial properties that are vacant with no relief in sight, and now you want to turn it into a dumping area for waste.

I suggest that logical and rational processes be considered from reality and not from the back of a desk.

Regards
